

5555 Stubbs Road Lake Country British Columbia

Lake Country South West

\$1,389,900

Introducing this stunning, renovated modern farmhouse, a property that exudes warmth, sun trapped with full sun all day, elegance, and high-end finishes throughout. Upon entering, you'll immediately feel captivated by the cozy ambiance. The open concept living space features a charming fireplace and floods of natural light, creating a tranquil retreat for all. The one-of-a-kind loft master suite offers privacy and luxury, providing a true haven for relaxation. Additionally, the brand new, thoughtfully renovated 505 sq ft detached studio presents an exceptional opportunity for anyone seeking a home-based business. Outside, the oversized deck and hot tub create the perfect spot for enjoying the breathtaking views and the great outdoors. With three convenient access points, accommodating even the largest vehicles or recreational equipment, with 50amp service, water & sewer, EV charging point hook up. Situated on a perfect .92-acre lot, this property holds immense potential for expansion or development. Whether you dream of adding onto the main home or exploring new construction possibilities, the expansive lot serves as your canvas. Furthermore, the location offers proximity to essentials such as the lake, hiking trails, schools, and shopping, making it an ideal choice for families. This home and property combine luxury, comfort, and potential in one picturesque package. Don't ...
