Lake life without leaving real life behind. Just 30 minutes from Whitehorse, this .86-acre South M'Clintock property pairs Marsh Lake waterfront with a 2,793 sqft custom home, double garage and separate guest cabin. The pine kitchen offers new appliances, ample cabinetry and an island with prep sink beside the water-view dining area. Upstairs, the refreshed primary bedroom features a completely renovated ensuite and walk-in closet. Two additional bedrooms, a full bathroom and 24x28 bonus room with vaulted pine ceilings, woodstove, pool table and waterfront balcony provide room for family and guests.
