Cherry Creek/Savona

\$1,990,000

Welcome to Hidden Creek Acres—just ten minutes from town, yet a world away from the everyday. This is where space, quiet, and a true connection to the land come together. Set on 20 acres of gently rolling pasture with sweeping mountain views, this property offers more than a home—it offers a lifestyle. Follow the long driveway past open fields and grazing animals to a modern, custom-built home designed for comfort and function. Large windows bring the outside in, while heated concrete floors, a natural gas boiler, and triple-pane windows keep every season comfortable. The primary suite features its own laundry and walk-in closet, while the walk-out basement suite adds flexibility for rental income, extended family, or guests. A bonus room offers space for a gym, studio, or media room. Outside, you'll find a riding arena, animal pens, sea can storage, and a detached 2-car shop—ready for livestock, hobbies, or projects. A second septic field with RV hookups makes hosting easy, and a newly installed well (November 2025) adds long-term value and peace of mind. Relax on the deck, unwind by the firepit, and take in the stars. Hidden Creek Acres isn't just a property—it's a different way of living. (id:6769)
