Welcome to your timeless Home2Love in the heart of Beaumont--where charm, character & location come together in a way modern builds simply can't match. You're just steps to restaurants, parks & walking trails--offering a lifestyle that's both convenient & connected. Inside, this beautifully updated home blends classic warmth with modern touches, including a stunning new kitchen designed for everyday living & entertaining. Cozy next to the wood burning fireplace. The king sized primary suite includes a spa inspired round soaking tub & walk-in closet, plus an additional 3 large bedrooms. The layout offers incredible flexibility with a huge bonus room with skylights--perfect for movie nights, main floor office, living/dining & family rooms. Downstairs, unwind in your private sauna, creating a rare & relaxing retreat. Outside, enjoy great curb appeal, mature trees, space & character not found in newer areas. If you've been searching for a home with soul, walkability & lifestyle appeal--this is the one! CentralAir (id:6769)
