

562 Mountain Drive Vernon British Columbia

Okanagan North

\$698,000

Solidly built 3-bed, 3-bath home on a generous quarter-acre lot in a quiet neighbourhood. Add exceptional Okanagan Lake views, lane access, powered workshop & plenty of parking for an RV & boat, -this one's worth taking a closer look at. The main level boasts a bright layout designed to take full advantage of the views. The living room features a fireplace & large windows overlooking Okanagan Lake, while the warm-toned kitchen is a chef's dream with an easy connection to the dining & living areas. A full bathroom, laundry room with garage access, additional storage & a bedroom with deck access complete this level. The expansive deck includes an automated awning & creates the perfect spot to enjoy the peaceful surroundings. Upstairs, the spacious primary suite offers its own gas fireplace, walk-in closet & impressive 5-piece ensuite + a versatile loft area. The lower level adds even more flex with a wood-burning fireplace, bedroom, bathroom, a powered workshop with a hidden room ideal for a hobby space & more storage. A separate entrance provides suite potential with some creativity. The oversized garage offers built-in vac & storage. Outside, you'll find wood storage, 2 additional sheds & irrigation. A rooftop fire-suppression system adds another thoughtful feature to this well-maintained property. Peaceful, private & filled with possibilities, this home offers the space, vi...
