

## 5639 Jasper Way Kelowna British Columbia

Kettle Valley

# \$1,499,500

Looking for both luxury and value? This stunning custom home offers the best of both worlds plus valley, mountain and lake views beyond all in the sought-after Highlands Kettle Valley neighborhood! Built with incredible attention to detail, this 4 bedroom, 4 bathroom home showcases quality finishings throughout. The main floor features an open concept layout with soaring ceilings, oversized windows and glass doors that capture the breathtaking views and lead to spacious sun decks and a covered deck perfect for sunset watching and BBQs. The chef's kitchen is designed for entertaining with gorgeous granite countertops, a large flat island with bonus prep sink, and premium Jenn-Air appliances including a 6-burner gas range. The luxurious primary suite offers a spa-inspired 5-piece ensuite with heated floors, travertine tile, glass rain shower, soaker tub and a large walk-in closet with built-in organizers. A second main floor bedroom includes patio access and its own ensuite. The lower level is ideal for family living with a large rec room, games room, media room with wet bar, two additional bedrooms, a full bathroom, storage and a mud room. The triple car garage features a double bay plus an extended single bay with EV hookup and space for a workshop and all your toys. Spacious room sizes throughout! Perfect for your growing family or empty nester looking for a great property t...
