

5697 Jasper Way Kelowna British Columbia

Kettle Valley

\$2,398,800

STUNNING HIGH END ENTERTAINERS' DREAM HOME. This masterpiece has captured every detail, from the design and layout, to the private backyard oasis, in one of Kelowna's most highly sought after neighbourhoods. The chef's kitchen is immaculately designed, complete full length cabinetry and a hidden pantry. In-ceiling speakers add ambiance inside and out, with Sonos amplifying the zones on the front deck and by the pool too. All landscaping is deer resistant and the backyard offers a salt-water pool, hot tub, and wired pool house, plus a nice patch of lawn for bare feet. SOLAR PANELS on the roof offset your energy costs, plus the Energuide rating is a stellar 56 ~ highly efficient, with on demand hot water and UV light for the home air too! Upstairs also offers a spacious primary with a luxury spa-inspired en-suite, heated tile floors and large walk-in closet. Two more bedrooms share a jack-and-jill bathroom, and the laundry room is beautiful. This custom built CHERRY LANE HOME lacks for nothing, with a cozy family room, bedroom and full bathroom downstairs for guests, a one bedroom LEGAL SUITE with separate entrance, heating & cooling system, and laundry, AND a THREE CAR tandem GARAGE. Two wall beds also included. Check the feature sheet for additional highlights in this home, and we have floor plans and a virtual tour too. Fantastic neighbours, close to schools, shopping, hiki...
