

Whitehorse Yukon

\$729,900

This spacious and well-loved home has room for the whole family--inside and out! With over 2,300 sq ft, it offers 4 bedrooms, 3 bathrooms, fresh paint throughout, a bright open kitchen, sunken living room, and a finished basement with a cozy rec room. Step out back to enjoy the massive (11,000S/F+), fenced yard, large deck, and tons of parking including a garage, carport, RV space, and shed. Add in basement walkout access and loads of storage--this rare opportunity checks all the boxes! (id:6769)
