

5817 Victoria Street Peachland British Columbia

Peachland

\$849,999

Renovated. Stylish. Turn-key. This is the Peachland family home you've been waiting for! Completely renovated from top to bottom, this 4-bedroom, 3-bathroom home delivers the style, functionality, and peace of mind today's buyers are looking for—with warm finishes, thoughtful design, and absolutely nothing left to do but move in. The big-ticket items are already checked off, including the removal of Poly-B plumbing, a new hot water tank, and extensive renovations throughout. Designed with growing families in mind, the functional layout features 3 bedrooms upstairs, 2 full bathrooms, and a bright open-concept kitchen, living, and dining area that opens onto the back patio overlooking the private yard. Downstairs, the 1-bedroom in-law suite offers excellent flexibility for extended family, guests, or a mortgage helper, complete with its own separate entrance. Outside, the oversized yard is ready for outdoor fun—from backyard BBQs and birthday parties to kids running wild long after dinner. And when you need even more space, the detached outbuilding is ready to become whatever you need it to be: a workshop, home gym, studio, office, or the ultimate playroom. Located on a quiet street in one of Peachland's most family-friendly neighbourhoods, you're just minutes from schools, parks, the beach, and local amenities. The renovations are done. The big-ticket items are behind you. ...
