This well-built 3-bedroom, 1.5-bath rancher is the perfect fit for first-time buyers or savvy investors. Enjoy the ease of one-level living with a functional layout, freshly painted interior, and a spacious kitchen that flows into a bright, comfortable living space. The bedrooms feature built-in closet organizers, and recent updates include new light switches, electrical outlets, some flooring, modern light and bathroom fixtures, plus a hot water tank (July 2022). The roof was replaced in 2017—just move in and add your own touches over time! Step out through the dining area's sliding doors onto a newly constructed cedar deck.
