

585 GILLET Street Prince George British Columbia

\$539,000

This is a beautiful large rancher with a full basement including a mortgage helper. With 1,638 square feet on each floor and each containing a full suite with its own laundry this is a sure winner. This home has been refreshed over the past few years with new paint, flooring, trim and doors. The attributes don't stop there! Its situated on a lovely quadruple lot! (id:6769)
