

5851 33 Highway Beaverdell British Columbia

Beaverdell/Carmi

\$399,000

This is an opportunity to buy 5 serviced lots on hwy 33. There was an old restaurant that could have the foot print redone or bring your own ideas. Building has new siding, windows and doors, inside is gutted and waiting for your ideas. There is already 3 phase power, a well, and septic gives a good start to a new venture. Garage has been converted to a Bachelor Bungalow (id:6769)
