

5896 FAIRVIEW Place Oliver British Columbia

Oliver

\$1,088,000

Step into style, comfort, and peace of mind in this beautifully updated 3-bedroom, 4-bathroom home, tucked away on a private 0.25-acre lot at the end of a quiet cul-de-sac. From the durable metal roof to the oversized double garage, this home showcases quality craftsmanship and practical design. Inside, the main floor features tasteful finishes, easy-care vinyl flooring throughout, central air, a forced-air gas furnace, and a cozy gas fireplace. The bright, remodeled kitchen includes a generous island—ideal for everyday living and entertaining alike. The layout is both functional and inviting. Between 2017 and 2023, the home saw major upgrades: a sparkling in-ground pool, UV light purification system, fully renovated main and powder bathrooms, a brand-new 4-piece ensuite, new washer and dryer, updated front door, hot water tank, xeriscaped front yard, and underground irrigation. The private backyard is a peaceful retreat with multiple deck areas, tranquil water features, and gorgeous mountain views—perfect for relaxing or hosting guests. Move in and enjoy—every detail has been thoughtfully finished. (id:6769)
