

Whitehorse Yukon

\$569,900

This spacious 3-bedroom, 3-bathroom duplex is located on a quiet cul-de-sac, close to schools, parks, and public transit. Thoughtfully laid out, the home offers functional living space and practical features throughout. The main level includes a comfortable living area, an eat-in kitchen with French doors leading to a south-facing deck, and a convenient half bathroom. Upstairs are three well-sized bedrooms, including a primary with a full ensuite, an additional full bathroom, and a dedicated laundry area. The front of the home features a covered porch and front lawn. The backyard is accessible via a rear alley, providing RV parking and a 20'x30' garage. This is a solid option for those looking for a quiet location with easy access to amenities and room to grow. (jd:6769)
