

1160 Sunset Drive 603 Kelowna British Columbia

Kelowna North

\$795,000

Updated 2 bed, 2 bath home in The Dolphins, featuring 2 decks offering views that capture Okanagan Lake, the bridge, the iconic dolphins statue, the tranquil lagoon, and the park. This entire home has been renovated and opened up to create a seamless, bright living space. Move in and enjoy high-end finishes throughout, including hardwood flooring, flat scraped ceilings, built-in lighting, and dimmer switches throughout to set the perfect mood. The kitchen showcases quartz countertops, a granite composite sink, glass tile backsplash, under-mount lighting, and premium appliances, including a Fisher & Paykel fridge, KitchenAid stove, and a new Bosch hidden integrated dishwasher matching the cabinetry. Relax by the updated gas fireplace or step outside onto two private decks, both beautifully finished with tiled floors and edging. The primary suite features blackout blinds and an ensuite complete with heated flooring, a stylish glass sink, and a massive tiled walk-in shower. Recent updates also include modern taps and upgraded fixtures. Residents enjoy full access to resort-style amenities, including an outdoor pool, hot tub, tennis and pickleball courts, outdoor BBQ area, fitness centre, and potential boat moorage within the lagoon. Set in a quiet, non-short-term rental building in the heart of Kelowna's vibrant Cultural District, you are just steps from the arena, waterfront b...
