Upper Mission

\$1,499,900

Welcome to The Quarry -- where timeless craftsmanship meets comfort & livability. This beautifully designed home offers soaring ceilings, expansive windows & an open-concept main level, filling the home with natural light. A thoughtfully defined formal dining area adds an elegant touch -- set apart just enough to feel special, yet still visually connected through architectural openings. The spacious kitchen & great room open onto a large deck -- ideal for morning coffee or evening gatherings while enjoying the peaceful surroundings. The main level is anchored by a generous primary suite featuring a spa-inspired ensuite with heated tile floors, jacuzzi tub, walk-in shower & impressive walk-in closet. Every detail reflects thoughtful design and craftsmanship. Downstairs, the lower level offers flexibility with three additional bedrooms, plus an office, fitness or storage area, & a large family room complete with a wet bar -- perfect for entertaining guests or movie nights. The sound system has over 20 speakers both inside & outside! Step outside to a fully fenced backyard with a luxury hot tub, and the garage is heated, great for a shop! Set in a desirable location near Canyon Falls Middle School & the amenities of The Ponds, this home suits downsizers who love to host or families with kids seeking their own retreat. Classic architectural details, rich finishes & a true sense ...
