Fantastic opportunity with this potentially suited residence. The main level features 3 bedrooms and 2 bathrooms, while the 2010 expansion introduced a spacious master bedroom. The basement includes 1 bedroom, 1 bathroom, den, and a separate entrance, making it readily suitable. Recent upgrades include newer Hot water Tank, windows, furnace, New Kitchen in the basement and new roof. Ideal for families, the property is conveniently located across from a school and close to town. (id:6769)
