Upper Mission

\$969,000

Welcome to the sought after Upper Mission, where this beautiful home offers nearly 2,500 sq. ft. of living space on flat family friendly lot. With 4 bedrooms and 4 bathrooms across three levels, there is plenty of room for the entire family. One of the home's standout features is the exceptional connection between the main living spaces and backyard, with direct access to the outdoor space right from both the kitchen and living room. This makes everyday living and summer entertaining effortless, while the private backyard provides a great place to relax and enjoy the Okanagan lifestyle. Plenty of parking for your RV or boat. Ideally located close to wineries, beaches, parks, schools and the amenities of Mission Village, including Save On Foods, Shoppers, Dollarama, a dentist, liquor store and more.
