Peachland

\$999,969

Welcome to 6074 Jackson Crescent - Bring your agent, bring your offer! New custom home in Peachland. Positioned to capture sweeping southern views of Okanagan Lake, this property combines luxury, energy efficiency, and outstanding potential. Built with Insulated Concrete Forms for superior efficiency, soundproofing, and durability, the home features an open-concept main floor with vaulted ceilings, abundant natural light, a gourmet-inspired kitchen, spacious dining area, and access to a lakeview deck perfect for entertaining. Two bedrooms and two bathrooms complete the main level. Upstairs, the Primary bedroom is dedicated to a stunning views, vaulted ceilings, spa-like ensuite with custom shower, water closet, and a private soaker tub retreat. The walk-out lower level includes a fully self-contained two-bedroom legal suite currently rented for \$1,900 per month, offering excellent mortgage support or space for extended family. The lower level also adds an extra bedroom, bathroom, and laundry for the main residence, along with a bonus room with separate entrance, ideal for a theatre, games room, or studio suite. A 28' x 28' garage pad is already in place, with flexibility to finish as a garage, workshop, or even rooftop deck. This property also carries rare subdivision potential into a duplex, providing buyers with long-term investment value. Priced to sell. (id:6769)
