

New Brunswick Real Estate Board

PRICED ACCORDINGLY MAKING THIS A COMPELLING OPTION FOR BUYER'S SEEKING AFFORDABILITY, INCOME SUPPORT OR LOOKING TO ENTER THE INVESTMENT MARKET. Side by side duplex with the layout on each side being a mirror image of the other. The main floor of each unit features a very bright and spacious living room, separate dining area, kitchen and a half bath. Upstairs you will find 3 spacious bedrooms and a full bathroom. The unfinished basement provides useful storage and future potential to finish for additional space. Separate hydro and meters means tenants are responsible for all expenses. Both units are vacant-you set the rents. Separate driveways for each unit. Some upgrades have been completed and there is still work to be done. Steel Roof(2020), Mini-Splits in each unit(2022), Windows (3-8 years), Siding(9 years), Stone patios(2024), Front Step(2025). Extra large tree lined backyard where you will enjoy the natural setting. STOP GIVING YOUR INCOME AWAY AND START BUILDING YOUR EQUITY! PROPERTY TAXES ARE NON-OWNER OCCUPIED. There's something about having that country feel knowing you are so close to everything you need and just 5 minutes to Mountain Road. (id:6769)
