

616 Hart Place Vernon British Columbia

Foothills

\$1,800,000

Understated Luxury and Expansive Views - A Truly Custom Home. Welcome to this exceptional home that effortlessly combines luxury with everyday functionality. Situated in desirable foothills, this property offers panoramic views of all three lakes and a spacious, thoughtfully designed layout perfect for both quiet living and grand entertaining. The folding doors from the living room seamlessly connect the indoor and outdoor spaces, creating an expansive flow perfect for casual gatherings and special occasions. Enjoy 3 seasons on your 800 sq ft deck that elevates the living experience, featuring heaters and electric screens. Every room is generously sized and designed with superior construction and custom finishes, from built-in cabinetry to specialized storage solutions, no detail has been overlooked. The kitchen is a chef's dream equipped with high-end appliances, custom cabinetry, and a spacious layout that is as ideal for everyday meals or hosting large groups. Heated tile floors throughout the home, filtered water in every tap, an air filtration system unlike you have ever experienced...no detail has been overlooked. This home is a delight to live in and offers low-maintenance landscaping providing beauty and privacy without the hassle of constant upkeep. Start your mornings sipping coffee on your patio enjoying the peaceful surroundings and the warmth of the rising sun....
