

Here is some additional information about this wonderful property. It's a move-in ready three-bedroom, two-bathroom house that offers both privacy and convenience. The property backs onto crown land and is situated directly across the street from a school park. Inside, you'll find a fresh coat of paint and mostly new flooring throughout. The recently updated basement features a new bathroom and a large bonus room with a separate entrance. The exterior of the home has also been enhanced with new vinyl siding and soffits. Adding to its value, the 0.21-acre lot presents development potential and provides ample space for a lawn and a vegetable garden. This truly is a fantastic opportunity to find a home that is ready to be enjoyed. Call your realtor today! (id:6769)
