

6212 Haker Place Peachland British Columbia

Peachland

\$874,900

Tucked away at the end of a cup-de-sac, and walking distance to hiking and mountain bike trails, this charming walk-out rancher has been meticulously cared, including a fresh coat of new paint throughout the main floor giving this home a fresh new ambiance. The walk-in level boasts a rare 3 bedrooms up and 2 full bathrooms. The freshly renovated ensuite stands out with a frameless glass shower, elegant white oak vanity, and striking black fixtures. The kitchen in both stylish and functional, featuring white shaker cabinets, stone countertops, a gas range, and stainless steel appliances, all complemented by a convenient sit-up bar. The open concept design effortlessly connects the kitchen to a large dining area and a spacious living room, where vaulted ceilings and a cozy gas fireplace create a warm and inviting atmosphere. Both the dining and living rooms open onto a partially covered, expansive deck - perfect for soaking in the breathtaking lake views. The tiered yard is a gardener's paradise with newly rebuilt retaining walls, mature irrigated gardens, and a picturesque gazebo. The lower level offers versatility with a large rec room, a 4th bedroom, full bathroom, laundry, and ample storage space. This home has been thoughtfully updated, including a new water main, PEX plumbing (2022), AC (2023), and a to water tank (2023), ensuring peace of mind for year to come. (id:6769)
