Lower Mission

\$2,499,000

Welcome to 624 Bonjou Road, a striking West Coast contemporary split-entry in the heart of Lower Mission. White siding, black-framed windows and a hip roofline set the tone, and a double-height foyer with a globe chandelier makes an unforgettable entrance. Fully updated within the last three years, this home offers 3,900 sq ft including the suite. Morning light pours across wide-plank hardwood in the open main level, where a gas fireplace and slatted wood feature wall anchor the living room. The kitchen pairs high-end Miele appliances and an induction cooktop with warm wood veneer cabinetry, brass pulls, a veined quartz backsplash and a fluted island with cane-back stools made for morning coffees. The main home has 5 bedrooms, 4 bathrooms, a wet bar rec room and a gym. A 2-bedroom, 1-bathroom legal suite with its own laundry offers mortgage-helper income or space for extended family. A great family home, it sits on a rare, flat, fully fenced, nearly half-acre lot with an in-ground pool, hot tub, pool house, pergola lounge and lawns for summer days. Triple garage. Blocks to Sarsons Beach, Cedar Creek Park and the Mission Creek Greenway, with Sunshine Market, Milkshed Coffee House and Barn Owl Brewing close by. Near Mission Park, Lower Mission Recreation Complex and H2O Adventure Fitness Centre. Schools: Anne McClymont, Dorothea Walker, Bellevue Creek, KLO Middle, OKM Secondar...
