

628 JOHNSTONE Road Nelson British Columbia

North Nelson to Kokanee Creek

\$780,000

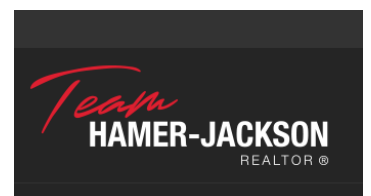

Located just outside Nelson city limits in one of the area's most desirable neighborhoods, this stunning property offers the perfect blend of serene country living and close proximity to downtown. Perched above a peaceful horse pen, the home boasts breathtaking panoramic views of Nelson and the iconic Big Orange Bridge. This 4-bedroom, 2-bathroom home has been thoughtfully updated with modern features, including a new HRV system, energy-efficient heat pumps, updated exterior siding, and a new hot water tank. The remodeled bathrooms, complete with heated floors and timeless finishes, add a touch of luxury. Warm, classic interior styling creates a welcoming atmosphere throughout. A finished 2-bedroom, 1-bathroom walkout basement provides excellent suite potential or extra space for guests. Outside, a double carport and additional outbuildings offer ample storage for all your Kootenay toys and a workshop space. With stunning views, modern upgrades, and unbeatable location, this is a rare opportunity to own a home in one of Nelson's most prestigious areas. (id:6769)
