

633 Tomby Court Kelowna British Columbia

Lower Mission

\$1,250,000

PICTURE PERFECT TOTALLY REMODELLED LOWER MISSION SPLIT LEVEL HOME with POOL!! Extensively Renovated, and Redesigned over the last couple of years, with upscale finishing and a Modern English Cottage feel. Massive New Kitchen overlooking Great Room. 3 remodelled bathrooms, wide plank white oak engineered floors through main living areas and 3 bedrooms, new mid century modern black fixturing in bathrooms & solid brass in kitchen. This home is a Wow! Great room with corner electric fireplace & large white latticed windows that flood the room with natural light. Soft White lacquered Maple shaker kitchen is a DREAM, quartz counters, massive island, tons of cabinets, & 3 corner windows overlooking yard. 3 updated Beds up. King-sized Primary, luxurious 4 piece Ensuite right out of a designer magazine - herring bone heated tile floors, large frameless glass shower, double sinks. Garage was built out into a 4th bed & Den floor (could be 5th bedroom) by previous owners. Big beautiful new laundry room! Massive Family room with wood stove in a brick setting, has french doors for seamless flow to the private fenced and mature landscaped yard. Gorgeous inground pool with safety track cover. Tons of yard space and patio for play and lounging. 2023 Furnace/Central Air/Roof, 2021 Tankless hot water, Situated walking distance to Dorothea Walker Elementary, OKM high school, Anne McClymont El...
