

Whitehorse Yukon

\$569,900

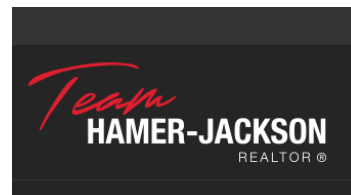

Simple living. Smart spaces. Sunny backyard. This freehold townhouse offers approximately 1,600 sqft with 3 bedrooms, 2 bathrooms and an easy, low-maintenance lifestyle—with no condo fees. A spacious front entry leads into a versatile main-floor living and dining area with room to configure around your life. The massive U-shaped kitchen delivers exceptional counter space, abundant storage and enough room for more than one cook. A functional rear entry and 2-piece bathroom complete the main level. Upstairs, the oversized primary bedroom features a generous closet, while the full 4-piece bathroom creates smart separation from two well-sized secondary bedrooms. A dedicated laundry room provides additional storage. Outside, the fenced south-facing backyard is ready for Yukon summers with a deck, gazebo, garden boxes and double-wide parking complete this practical, well-rounded property.
