Gibbons

\$689,900

Welcome to this exceptional custom-built home in the quiet, family-friendly community of Gibbons! This thoughtfully upgraded bi-level was designed with comfort and function in mind. Enjoy an oversized heated attached garage, central A/C, 9' ceilings, and a high-quality HVAC system that keeps the home comfortable year-round. The open-concept main floor features a bright living room and cozy gas fireplace. The designer kitchen stands out with upgraded maple cabinetry, soft-close doors and drawers, and custom finishings that elevate the entire space. Two well-sized main-floor bedrooms and a full 4-piece bath are perfect for kids, guests, or a home office. Upstairs, the private primary suite offers a quiet retreat with its own 4-piece bath. The finished basement adds a cozy family room and two large bedrooms, providing space and comfort for everyone. Outside, the fully landscaped yard includes multiple fruit trees, a gazebo for relaxing, an RV pad, and underground sprinklers. This home checks all the boxes! (id:6769)
