Beautiful & functional... Imagine the looks on your guests' faces as they enter your home. The current owners upgraded the flooring, kitchen, and fireplace to add a WOW factor to the main floor that is sure to impress. Situated in a cul-de-sac with a big back yard, walking distance to parks and shopping, this is a family-friendly home. With four bedrooms up, it's ideal for big families or those wanting a playroom away from the main floor. Imagine happy hour on the deck with neighbours while the kids play in the yard. Once they are sleeping, you can relax in the hot tub. This well-laid-out home offers bright, open spaces throughout and lots of room for a growing family. The Quarry is four streets of top-quality homes. Only the best builders were allowed to work here, and every home is unique; all are high quality. Take a walk to the park or Starbucks, but no matter how far you wander, you will always yearn to be back in your beautiful home. There is no compromise here...
