

Moncton New Brunswick

\$494,000

New Brunswick Real Estate Board

Beautiful family home located in Pinehurst Subdivision. Double paved drive, attached bright garage with windows, covered front veranda and spacious semi private backyard with a perfect shed for future "she shed" This well appointed home is a pleasure to view. Inside is naturally bright throughout starting in the foyer, on into the front southern exposed livingroom and flowing consistently from beginning to end. Inside the back of the home opens up to an inviting kitchen with center island, an envious dining area encircled with floor to ceiling windows, access to the back deck & yard for family bbq's and a main floor family room inviting you in to cozy up in front of the propane fireplace. Down the hall is a front bedroom, a cheerful 4 pc main bath and laundry closet, back bedroom and the primary bedroom offering plenty of closet space and 3 pc ensuite bath. Downstairs offers excitement with a finished family/games room and ample space for future bedrooms, a plumbed area for full bath and Lots of needed storage area. Potential future finishings could grow as your family grows. (id:6769)
