

6500 Macdonald Place Summerland British Columbia

Lower Town

\$1,150,000

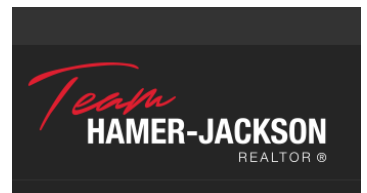

Stunning views from this well presented and updated 4-bedroom, 3-bathroom lakeview home. Open concept living area on the main with a beautiful kitchen featuring detailed cabinetry, granite counters, stainless appliances with a gas range, and a butler's pantry. Spacious office with built-ins and a master suite complete with hardwood floors, ensuite with separate shower and walk in closet, plus access to the deck to take in the view. One level living with laundry on the main plus a second hook up downstairs where you find three more bedrooms. Large rec space with pool table and bar seating plus a tv lounging area with a gas stove for added warmth and ambiance. French doors lead to the lower deck and access to the yard with manicured grounds complete with 2 cherry, 1 pear, and 2 apple trees plus a storage shed for your gardening needs. Underground irrigation plus newer furnace and A/C in the last 2-3 years and new roof in 2024. (id:6769)
