

## 652 Deans Court Kelowna British Columbia

Black Mountain

**\$1,995,000**

Nestled in a quite cul-de-sac with breathtaking views of the lake and valley, this open-concept modern family home offers a combination of luxury, privacy, and convenience. This 3-level home has a great room, dining, kitchen, spice kitchen, laundry, mudroom, one bedroom, and a bathroom on the main floor. Upper floor has a loft area with a deck, a master bedroom, ensuite, walk-in closet, and 2 more bedrooms with attached bathrooms. Lower floor (basement) has a huge rec room with a wet bar, one bedroom, one full bath, mechanical room and a 2-bdrm legal rental suite. Huge master bedroom featuring a 5-piece ensuite with heated floors and a Jacuzzi. Backyard is ideal for a pool and a hot tub, with the necessary drainage and electrical already in place. The spacious backyard also offers privacy--ensuring peaceful, uninterrupted enjoyment of your outdoor space. This home also includes a legal two-bedroom suite with a separate entry, laundry, and privacy, making it perfect for guests, extended family, or rental income. Some of the other key features include: custom designed drop down ceilings with Led lights, heated ensuite and main floor bath, automatic irrigation system, built-in vacuum, automatic blinds on the main floor, and rec room wired in for audio video equipment. Situated on a quiet dead-end cul-de-sac, this home provides ample parking and a prime location just minutes fr...
