

655 Clifton Road Kelowna British Columbia

Glenmore

\$1,229,900

Centrally located in the Glenmore community, this unique property features 5-beds, 4-baths, 2-suites, and a large 750sq/ft shop or garage for all your needs. Perfect for those wanting a home based business or investment property that they could still live in and generate revenue. The main floor has a floor to ceiling brick fireplace in living room with hardwoods and large windows allowing ample light. The newly designed kitchen is full of cupboards, a centre island, bar seating and topped with quartz countertops. From the kitchen you have access to the front balcony to enjoy the evening sunsets. Off the kitchen is a massive dining room that easily seats 10 and provides access through glass doors to your backyard oasis. The backyard features 2 gazebos, hot tub, a rock waterfall, garden beds, and a massive shed for even more storage. Completing the main floor is 3 beds, 2 baths and laundry. Moving downstairs you have two 1-bedroom suites with separate entrance and shared laundry. Perfect for a home based business with entrance from the front of the house with ample parking for clients, or for the in-laws, family, or anyone who may enjoy having a separate space and a little more privacy. The options are limitless! The 2 year old heated Shop or Garage features 9 ft doors with openers, epoxy floors, 45 year shingles and a 6" slab should you choose to add a car lift or need the e...
