Modern Meets Rustic Charm - This 4-bedroom A-frame style home sits on nearly 8 acres offering the perfect blend of comfort, space, and views. Enter through a spacious foyer into a beautifully designed kitchen with quartz island, gas stove, two pantries, and a generous dining area ideal for gatherings. The open-concept design flows into a living room with a soaring vaulted ceiling and a wall of windows framing city, lake, and mountain views. A cozy wood stove warms cooler evenings, while sliding doors open to an expansive deck finished with sleek metal railings and steel strands--perfect for entertaining or soaking in the scenery. A 2016 addition added three bedrooms, a large family room, full bath, and a well-appointed laundry with sink and built-ins. Upstairs, the primary suite includes a 3-piece ensuite, while the unfinished walk-out basement provides ample storage and access to outside. Outdoors - the fenced acreage is ready for "those ponies you've been promising the kids," plus a 15' x 15' guesthouse/studio with loft and bath, 15' x 22' workshop, stamped concrete patio with firepit, and generous garden. A unique opportunity--modern comfort, rustic charm, and acreage living in one. (id:6769)
