

6563 Mountainview Drive Oliver British Columbia

Oliver

\$699,000

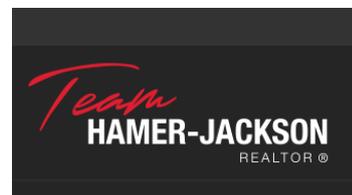

This fantastic 4-bedroom, 2-bathroom home sits on a spacious .25-acre lot in the highly sought-after Tucelnuit area. The backyard offers convenient access with plenty of space to add a pool. Durable tile roofing ensures long-lasting peace of mind, while recent upgrades include a new HVAC system, A/C unit, and hot water tank. The home is finished with stylish vinyl plank flooring throughout and even has potential for an in-law suite. With its solid updates, generous lot, and prime location, this property combines comfort and opportunity in one of the most desirable neighborhoods. All measurements are approximate and should be verified by the buyer if important. (id:6769)
