

6632 Mountainview Drive Oliver British Columbia

Oliver

\$1,590,000

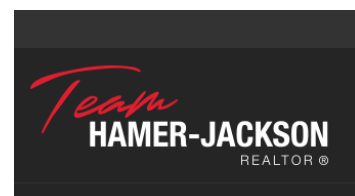

Custom built by the current owners this immaculate home offers meticulous attention to detail and quality around every corner. A few of the many highlights are a newer kitchen with induction stove, granite counters, cathedral ceilings, wood burning fireplace, formal dining room, open plan kitchen/living areas, massive soundproof family room, laundry and principal bedroom with renovated ensuite on main level. Home has been constructed to ensure a high standard of energy efficiency with 22 solar panels supporting the home and pool. The tranquil fenced rear yard offers a private oasis with salt water in-ground pool, calming waterfall, covered outdoor kitchen with expansive seating capacity for entertaining, 2-person lounging hot tub, garden shed and planters. The separate well-appointed heated shop will amaze the jack of all trades and car enthusiast as it includes a 2-piece bathroom, 220-amp service and was built to be easily renovated to add a suite. Expansive driveway offers parking for at least 4 vehicles plus a large RV. With an abundance of unique details contact the listing agent for more details. (id:6769)
