\$605,000

Gemini said Welcome to Willowglen, a premier neighborhood just steps from the Okanagan River's scenic hike and bike paths. This beautiful, move-in-ready 2-bedroom, 2-bathroom rancher offers the ultimate in single-level comfort and sophisticated charm. The bright, inviting interior features high ceilings and a thoughtfully designed layout that allows natural light to flow effortlessly through every room. A refreshed kitchen serves as the heart of the home, boasting newer appliances, a full-size fridge, and generous cabinetry, all accented by modern new hardware found throughout the residence. The spacious primary bedroom is a true sanctuary, featuring a walk-in closet, a 3-piece ensuite, and elegant French doors that open to your private outdoor oasis. Meticulously landscaped with lush cedars and a dedicated garden bed, the backyard includes a patio with a gas BBQ hookup--perfect for quiet relaxation or hosting guests. Practicality meets luxury with a double car garage, a 50-gallon gas hot water tank, a central vacuum system, a 200-amp electrical panel, and a security system. Whether you're greeting the sunrise with morning coffee in the backyard or soaking in stunning sunsets from the front porch, this home celebrates the best of Okanagan living. Perfectly located near world-class golf, shopping, and town amenities, this sought-after property offers an exceptional opportunity...
