

671 Mt Thor Drive Coldstream British Columbia

Middleton Mountain Coldstream

$1,049,999

Beautiful Middleton Mountain 4 bed 3 bath split-level family home awaits. Fantastic layout welcomes you into a spacious foyer with vaulted ceilings. The sunken living room opens to your left, featuring a large picture window framing peek-a-boo Kal Lake views & mountain vistas, and a cozy gas fireplace. Step up to the formal dining area overlooking the backyard. The well-appointed eat-in kitchen features an island, gas range, updated appliances, a bright breakfast nook surrounded by windows, and French doors leading to the expansive deck and backyard--perfect for watching the kids play. Upstairs, you'll find a generous primary bedroom with oversized walk-in closet and ensuite, a perfect nursery or office space, and an oversized third bedroom with vaulted ceilings and picture window, plus a full bath. The first of two lower levels offers an inviting media/family room with corner gas fireplace and French doors for separation. The basement features a great flex space for an office, TV room/playroom, two good-sized bedrooms/adjoining open doorway between (great for kids rooms or add door for two separate spaces), future wine cellar (awaiting flooring), full bath and home gym. Attached dbl garage with 30-amp RV plug outside, ample parking and room for RV. Enjoy a private backyard designed for entertaining, with oversized deck, custom pergola and hot tub hookups. Fantastic location...
