LAKE VIEWS, SPACE, PARKING & Okanagan LIFESTYLE! This 5-bedroom, 3-bathroom home sits on a generous sized lot in a well-established Oliver neighbourhood, with beautiful mountain and lake views and plenty of room for family, guests and outdoor toys. The reverse-floor plan puts four bedrooms upstairs, including a spacious primary with dual closets, 3-piece ensuite and a private upper deck that runs across much of the home. The main floor has a bright kitchen with access to the private courtyard, a dining area with a brick feature wall and a comfortable living room with a gas fireplace and large bay window. A fifth bedroom and full bathroom add flexibility for guests, an office or family. The backyard is private and easy to maintain, with xeriscaping, irrigation, gazebo, fire pit, storage sheds and a large 24-30 ft patio. There is plenty of parking, including space for an RV and boat. Recent updates include a new roof in 2025, heat pump/split AC system and thermal windows. Just steps from Tuc-el-Nuit Lake, the beach, walking trails and elementary school, with the Kettle Valley Rail Trail, golf course, hospital and downtown Oliver close by. A home with great space, great views and plenty of room to enjoy the Okanagan. (id:6769)
