Bright, smart, and income-ready - 68 Eugene is refined, efficient, and steady. This energy-efficient Whistle Bend home features a 2-bed, 1-bath primary suite and a 2-bed, 1-bath secondary suite, each with private entrances and great natural light. The primary suite offers a spacious entry with double closets, open-concept living, a peninsula kitchen, full bath, laundry/storage room, and covered concrete parking. The secondary suite includes an open living/kitchen area, full bath, laundry/storage room, gravel parking, storage shed, and is park-facing! Excellent privacy with a front-back layout, plus R20 under slab, R42 walls, R80 attic, quad pane windows, and pre-wiring for solar and EV chargers. A double-wall partition with four layers of drywall and a 1" air gap provides effective sound separation. The primary suite is vacant and move-in ready, while the secondary suite comes with reliable tenants. A fantastic live-in/rent-out opportunity or smart investment. Check it out today! (id:6769)
