

680 Cantina Court Kelowna British Columbia

Upper Mission

\$1,262,500

Tucked away on a quiet cul-de-sac in the sought-after Upper Mission, this beautifully maintained former Dilworth Homes show home offers breathtaking lake, valley & city views along with an exceptional floor plan designed for both everyday comfort & effortless entertaining. Located just minutes from the Ponds Shopping Centre, parks, schools & an extensive network of hiking and nature trails, this is a setting that perfectly balances peaceful living with everyday convenience. The main level is bright, open & welcoming. A spacious kitchen anchors the home, featuring soft close cabinetry, quartz counters, stainless steel appliances, a large gathering island & generous storage. The layout flows seamlessly into the dining area & living room where expansive windows frame the stunning lake views while an electric fireplace adds warmth & ambiance. Step out onto the covered deck where panoramic views stretch across the lake, offering a spectacular vantage point for Kelowna's unforgettable sunsets. The primary suite is positioned on the main level to capture the same beautiful outlook & features a walk-in closet plus a well-appointed ensuite with dual sinks, heated flooring & a glass-enclosed shower. Main floor laundry adds everyday convenience. The walk-out lower level provides outstanding flexibility with a large family & recreation area complete with a wet bar, two additional bedroo...
