

6801 Santiago Loop Kelowna British Columbia

Fintry

$975,000

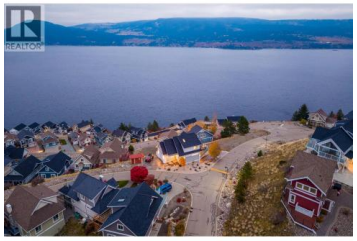

6801 Santiago Loop is an exceptional offering in La Casa Lakeside Resort, distinguished by its commanding, unobstructed views of Okanagan Lake and an enviable position within the community. Built in 2018, this custom-designed home pairs thoughtful craftsmanship with an impressive collection of features, creating a refined retreat for enjoying the Okanagan lifestyle. The open-concept main floor showcases hardwood flooring, expansive windows, a gourmet kitchen with KitchenAid appliances, and a striking freestanding gas fireplace, complemented by a full bathroom with heated floors. Upstairs, two bedrooms are thoughtfully positioned around an open loft, where a custom $60,000 curved glass railing makes the most of the spectacular lake views. The finished lower level offers exceptional versatility, a dedicated gym area, and convenient access to the garage. Outside, the expansive deck is designed for effortless entertaining, complete with a hot tub, outdoor fireplace, built-in audio, and uninterrupted lake views that provide a breathtaking backdrop from morning to evening. Beyond the home, La Casa offers an outstanding resort lifestyle with private lakefront beach access, a brand-new marina, two swimming pools, three hot tubs, a clubhouse, fitness centre, owners' lounge, tennis and pickleball courts, mini golf, playgrounds, and scenic hiking and recreational trails.
