

6812 Cabernet Place Oliver British Columbia

Oliver

\$899,000

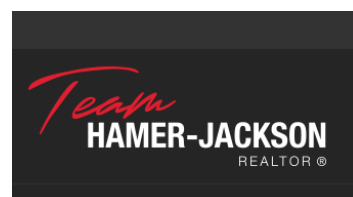

Welcome to one of Oliver's premier neighbourhoods in Lakeview States. This 2010 built home offers location, location, location with Tuc El Nuit beach, the golf course, schools, and amenities all within walking distance. Modern open concept floor plan with views of the lake from the living room, dining room and kitchen. Tasteful kitchen with granite counter tops, gas stove and updated appliances. Walk out patio front and back from the large dining room. Beautiful hardwood floors throughout the upper floor. Living room with gas fire place and nook off the living room for the perfect at home office space. Escape to the master bedroom with a gorgeous lake view, walk in closet and large primary ensuite with double vanity, jacuzzi tub and walk in shower. Balcony off the primary bedroom to enjoy your morning coffee with a view. On the lower level you'll find two additional bedrooms and a den. Large family room space or convert it to a daylight suite with its own entrance. Double car garage, low maintenance landscape with inground sprinklers, ample/RV parking. (id:6769)
