

682 Peridot Court Kelowna British Columbia

Upper Mission

\$1,479,000

Exceptional craftsmanship & attention to detail sets this residence apart. With a pool, an excellent floorplan, and high-end finishing throughout, this is a fantastic purchase! The open concept floorplan creates a seamless flow, making it perfect for entertaining. The kitchen is a true chef's dream, featuring a spacious quartz island, high-end appliances & a fully functioning butler's kitchen. A magnificent floor-to-ceiling stone fireplace in the living room is complemented by custom built-in bench seating & the family sized dining area offers the perfect space for entertaining. The king-sized primary is an oasis, exuding relaxation & luxury. The abundant windows allow sunlight to fill the room, while a coffee bar adds a touch of convenience. A two-way fireplace creates a cozy ambiance that extends into the spa-like ensuite, complete with heated floors, jetted soaker tub, & seamless glass shower. With two primary bedrooms, one on each level, this home offers the perfect floor plan for hosting guests. Downstairs you will discover a fantastic living area complete with a wet bar & island. Additionally, a sports room, exercise room & wine room add a unique & custom feel to the home. The incredible backyard oasis includes a pool with a captivating water feature. The partially covered deck, equipped with gas hookups, creates an ideal setting for entertaining & enjoying the outdoor...
