Westside Road

\$2,899,000

Positioned in one of the Okanagan's few vantage points with uninterrupted views to the illuminated skyline of downtown Kelowna, this lakeshore property delivers a visual experience that is both rare and unforgettable. Located just minutes north of the Kelowna Bridge, the home offers exceptional convenience while maintaining the privacy and tranquility of a quiet West Kelowna lakeshore setting; a balance that is increasingly difficult to find. Custom-built in a timeless French Country style, the residence feels warm, distinctive, and inviting. Oversized windows on all levels were intentionally designed to frame the lake and city views, ensuring the water remains a constant backdrop throughout the home. With approximately 3,800 square feet, 6 bedrooms, and 5 bathrooms, the layout is ideally suited for hosting family and guests, including multiple ensuite bedrooms and a private lower-level suite that walks out to a hot tub and putting green. The open-concept kitchen anchors the main living area beneath 10-foot ceilings and a statement fireplace, featuring a large pantry, dual ovens, gas range, and custom maple cabinetry. A flat grassy lakeside area with approximately 70 feet of direct waterfront, a beach house, and a substantial dock deliver true, usable lakefront living. Exceptional parking and storage round out the offering with a double garage, four-car carport, RV parking, ...
