

687 Acadia Street Kelowna British Columbia

University District

\$1,470,000

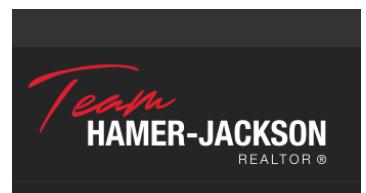

Looking for a home that doubles as a great investment? This is the one. 687 Acadia sits on one of the largest lots in the subdivision and offers incredible views (come see them - you won't be disappointed). The home was thoughtfully designed to be flexible and functional. Upstairs features three bedrooms, an open-concept kitchen, huge windows to take in the view, and a massive deck you won't want to leave. Downstairs is where the layout really shines. Keep it as is with a full lower living space that mirrors the upper level - perfect for another family - or reconfigure it into a legal two bedroom suite while reclaiming part of the basement for the main home, adding a rec room and an extra bedroom. Whether you want 3 bed, 2 bath up and down, or a 4 bed main with a 2 bed legal suite, the choice is yours. Situated just a short walk to the university, close to transit, a short drive to the airport, and close to the new strip mall on Innovation Drive, this safe and secure neighbour won't leave you wanting more! Add in a low-maintenance and fenced yard, a double garage, and a gas BBQ hookup on the deck, and this home is ready for you, your kids, and your toys - all that's left to do is move in! (id:6769)
