

Whitehorse Yukon
\$899,900

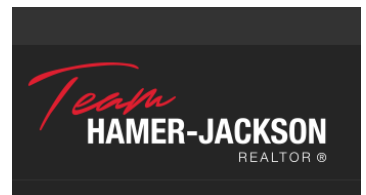

Bungalow with walk-out basement and attached 24x28 garage on greenbelt lot in Logan. This home boasts just under 3000 sf and was custom built and all of the rooms are oversized. You enter into tiled entry with bench seat, bright kitchen with newer cupboards, island with butchers block top and stovetop - open concept, kitchen nook with access to lovely back deck and lovely greenhouse. Formal dining and spacious living area with propane fireplace and real hardwood flooring in living/dining and hallway. Primary bedroom with deluxe ensuite with soaker tub, double vanity, separate shower & walk-in closet. Powder room, and laundry with access to garage complete the upper level. Walk-out basement with 16'2x14'2 family room that showcases a wet bar and rock faces propane fireplace for ambiance. Two more oversized bedrooms, full bath and home office nook on this level.
