Lake Country North West

\$779,000

Picture your morning coffee on a private rooftop deck -- hot tub bubbling, sweeping lake views stretching out ahead of you. That's everyday life in this stunning 4-bed, 4-bath, 3-level townhome: 2,323 sq ft of elevated Okanagan living, and just 7 years young. The gourmet kitchen is built for real cooking -- induction range, quartz counters, and an oversized pantry. Cozy up to the gas fireplace, then spill onto your private fenced patio and fire up the BBQ. Two gas hookups (patio and rooftop) make entertaining effortless. Upstairs, the primary suite is a true retreat with a spa-worthy 5-piece ensuite. Two more bedrooms and a dedicated laundry room keep family life humming. Off the garage, a flex room adapts to whatever you need -- guest space, home office, or student rental income. The extras seal the deal: 4 parking spots, pet-friendly, low strata fees, and 30-day rentals allowed. You're minutes from 3 lakes, beaches, shopping, schools, and the airport. Homes like this don't sit for long. Call your agent to book a private tour. (id:6769)
