

3719 Woodsdale Road 7 Lake Country British Columbia

Lake Country South West

\$789,900

This stunning 3-bedroom plus flex room (easily a 4th bedroom) home with 4 bathrooms is perfectly positioned in one of Lake Country's most sought-after locations -- steps from Wood Lake, Beasley Park, the Okanagan Rail Trail, and the Lake Country Tennis Courts. Whether you're a cyclist, beach lover, or outdoor enthusiast, this address delivers. From the moment you step inside, the attention to detail is apparent. Stainless steel railings with glass panels and luxury wide-plank vinyl flooring set a sophisticated tone, while the main level flex room with ensuite offers flexibility as a guest suite, office, or fourth bedroom. A private patio with gas outlet and fully fenced yard complete this level beautifully. Up one level, the chef-inspired kitchen impresses with a generous island, stainless steel appliances, and seamless flow into the open-concept living and dining area. A deck with gas outlet extends the living space outdoors. The upper floor offers three spacious bedrooms, including a primary retreat with a gracious ensuite. Plus a rooftop deck with sweeping lake views. Add a hot tub and you'll never want to leave. .PETS WELCOME - 2 dogs or 2 cats or 1 of each. Check out the virtual tour at:
