

7012 Barcelona Drive Kelowna British Columbia

Fintry

\$874,900

Welcome to La Casa: one of West Kelowna's most desirable lakeside communities. Within a large community, finding your home is simple. However, finding the cream of the crop is difficult! It's all about location and 7012 Barcelona Drive East checks that box. Nestled front row to the lake with low traffic out front and sprawling lake views out back, you'll have one of the best spots in La Casa. Sweeping views from two balconies and deck plus room below to expand further decking. Custom built by JCB Contracting quality is apparent! Find inside a clean and move-in ready home featuring two bedrooms on main floor, full bathroom, open living, dining, and kitchen areas with impressive, vaulted ceiling. Below offers second bathroom and your third bedroom/den with access to second balcony and hot tub. Lots to appreciate here including A/C, gas FP, engineered HW throughout, 9000w generator, and more. Many amazing amenities to enjoy including two outdoor pools, hot tubs, beach, marina w/boat slips, boat launch, water park, mini golf, playground, tennis & pickleball courts, volleyball, fire pits, dog beach, owners' lounge, fitness plus grocery/liquor store, and a restaurant!
